

# 2024 PML Summer Reading Program

This year we've added something new!

Our amazing Board of Trustees has generously provided \$500 for us to use as donations to organizations focused on Maine wildlife and conservation.

How? This summer, each time you read it will count as a monetary donation.

Progress through each level to earn a fantastic Trading Card featuring native Maine animals, a choice of organization to receive your "earnings," and raffle tickets to win a reading program grand prize gift basket.

To level up, complete 10 sessions of 20 minutes of reading (younger children) or complete a book (older kids and adults).

Any additional books completed earn extra tickets into the grand prize gift basket raffle!
