

April is National Poetry Month!

Happy Spring from all of us at Parsons Memorial Library!

Let's start our creativity blooming and write some poetry together!

Follow the prompt and write a poem for as few or as many days as you would like.

Share your poems with us and we'll display them in our Community Room until the end of May.

You can email your poetry to: PML@alfredme.gov;

leave them at the circulation desk; put them in the book drop; or give them to staff!
